

ORMTA Ottawa Region Branch
Adult Students' Workshop, Master Class and Recital 2012

FRANCES MAE BALODIS will be our 2012 clinician for the Adult Students' Workshop (WS) and Master Class (MC). For the past 40 years, Frances has made significant contributions to the Ottawa music community as:- a private piano teacher, a composer, an examiner and adjudicator, Founder of Music for Young Children (in 1980) and Co-Founder and Partner of Communication, Learning and yoU (CLU). With her vast knowledge as a leading music educator and her skills as a communications professional, Frances turns her attention to the specific needs of the adult music student. She delights in helping people of all ages and understands their learning styles.

Frances will present an Interactive WS which will deal with "***Adult Learning Strategies***" and will discuss such issues as: **memory aides and how to memorize; how to cope with performance anxiety; making the best of limited practise time.**

Adult students from Beginning to Advanced Grade Levels are welcome to participate in the Master Class and will be chosen on a "**first-come, first-serve**" basis. Master Class allotted time spaces will vary depending on the level of the student and their specific needs. The Master Class experience gives the adult student the opportunity to perform in a different learning environment.

A Recital & Reception is scheduled three weeks later and gives students the opportunity to work with their own teachers and absorb the Workshop/Master Class experience.

- PLEASE NOTE -

- **It is recommended that participants in the Master Class also take part in the Workshop as the two sessions tie together.**
- **Vocalists, pianists and other instrumentalists are invited and welcome to perform in the Recital, but must have participated in either the Workshop and/or Master Class.**
- **Performance in the Recital is optional.**

MEETING PLACE will be at the **VOCAL STUDIO OF CAROL A. WOOD 3025 Linton Road** located near Bank St. & Walkley Road
