The University of Ottawa has mandated that all visitors to campus facilities be fully vaccinated against COVID-19 (two doses plus 14 days) and certify their vaccination status using the [COVID-19 Vaccination Declaration online tool](#). Visitors will also be prompted to fill out an online Daily Health Check-In on the day of their visit to campus.

Please refer to the [mandatory vaccination](#) webpage for more details.

Guests will be asked to provide proof of vaccination along with photo ID, because as of September 22, 2021, the Province of Ontario requires residents to provide this documentation in order to access certain public settings and facilities.

With very few exceptions, it is [mandatory to wear masks](#) in all indoor public spaces.

Furthermore, as stated by uOttawa Health Services, we would like to remind you that:

- Even one fully vaccinated can have symptoms
- One with symptoms should not come to campus (even if vaccinated)
- If one develops symptoms during one's presence on campus, repeat the self-assessment and follow the instructions (get tested, self-isolate or self-monitor)
